

REMARKS

For your ease, you will find enclosed a copy of pages 3, 4, 8 and 18 to 23 wherein the items deleted appear as strikethrough and the additions/amendments appear in bold letters in between square brackets.

We enclose pages 3, 4, 8 and 18 to 22 duly amended for replacement with these pages presently on file. Please amend the text accordingly.

The specification has been amended to specify that the diagonal dimension of the screen is its viewing size. The range of the dot pitch size has also been narrowed. New claims 1 (previously 1) and 21 (previously 20) have been amended to narrow the range of the dot pitch size. New claims 2, 3, 22 and 23 have been added. New claim 8 is the result of joining old claims 6 and 7.

The amendments are made to further particularize the invention in line with what was done before the European Patent Office.

If any further fee, **whatsoever**, with respect to the present application is due, the United States Patent and Trademark Office is in any event hereby authorized to charge such further amount to our **Deposit Account no. 02-3980.**

Favourable consideration of the present application in light of the foregoing amendments and remarks is respectfully requested.

Respectfully submitted,

BROUILLETTE KOSIE
